

HX Global and Healix International are closely monitoring the current outbreak of Ebola in West Africa, and will be sending regular updates and advice to our clients as the outbreak continues.

Update, 3 October:

- Up to 100 people in Dallas, Texas, US are being checked for Ebola after possible contact with Thomas Eric Duncan, who was diagnosed Tuesday. Four of Duncan's relatives are under quarantine in their home and being monitored for signs of infection.
- A second man has arrived in Germany to be treated for Ebola. The Ugandan doctor was flown from West Africa to Frankfurt University Hospital and is currently isolation. He worked directly with Ebola patients in Sierra Leone. The second patient in Germany is still undergoing treatment in Hamburg.

Clinics and Facilities Status in Affected Areas

Healix is in direct communication with those medical facilities that are still operating in the impacted regions. Please contact Healix directly for further information on the readiness of medical facilities in these areas.

Country Travel Advice Status

Sierra Leone: Warning Level 3 - Healix Recommend "Avoid Non-Essential Travel"
