

#### Ebola Update: 14 November 2014

- Liberia's President, Ellen Johnson Sirleaf, announced an end to a national state of emergency. Ms. Johnson Sirleaf said the announcement came "not because the fight against Ebola is over," but because enough progress has been made to keep fighting the virus until it is eradicated in Liberia.
- A surgeon treating Ebola patients in Sierra Leone is being repatriated to Omaha, Nebraska, United States. Martin Salia will be treated at the special Biocontainment Unit at the Nebraska Medical Center.

#### Clinics and Facilities Status in Affected Areas

Healix is in direct communication with those medical facilities that are still operating in the impacted regions. Please contact Healix directly for further information on the readiness of medical facilities in these areas.

#### Country Travel Advice Status

Sierra Leone: Warning Level 3 - Healix Recommend "Avoid Non-Essential Travel"
